June 2010

Dear Friends,

As we have come together over the past several years to become one parish and to build a new church, we have also grown in members and welcomed about 300 new households into our parish. We could not have done this without being a parish of faithful stewards and loving evangelists.

To mark this accomplishment and on the occasion of our third year in our new church this fall, our Pastoral Council decided that this would be a right time to publish a new parish directory that includes all of our pictures. This is always a great opportunity to put names on those people we see across from us at Mass every week and even get to know them.

We are inviting and expecting that all of our parishioners will be pictured in the new directory. The process is already underway with volunteers meeting to work out the details. Signup will begin in early July for the four week portrait schedule: Aug 10-14, Aug 17-21, Sept 7-11, and Sept 14-17. You will be able to sign up from home or here at church on the internet or by phone. Details will be sent out soon. Take a look at your calendar and save a time to have your portrait taken.

A parish picture directory is one of the ways we can facilitate our parish mission to share our journey of faith, build our community, strengthening our families, and be a joyful people of prayer. This directory will enable us to put faces to names and thereby make those connections that tie us together as a family of faith as well as to minister to all parishioners with compassion and hope. Please plan to become a part of our pictorial directory.

Peace,

Fr Dick Schlosser

Come Holy Spirit, fill the hearts of your faithful.
