Stewardship

We will have the Monsignor House open on Monday, April 23 from 8:30-10:30. Come on over for a cup of coffee, a tour, a chance to visit about Family Promise, or to drop off donations.

"You too need to see the entirety of your life as a mission. Try to do so by listening to God in prayer and recognizing the signs that he gives you. Always ask the Spirit what Jesus expects from you at every moment of your life and in every decision that you make, so as to discern its place in the mission you have received." (Pope Francis. Gaudete Et Exsultate.). Our Holy Father continually reminds us to look to the call of Jesus in our lives. He causes us to reflect on the different ways in which that call comes to each person. I hear the Lord's call in the work of Family Promise and the mission of our Holy Spirit home we fondly call the Monsignor House. How is our dear Lord calling you?

Needs for the Monsignor House include; night lights throughout the house. For any questions, please feel free to call Kathie and leave a message ~ 781-5033.

"I am the good shepherd...and I lay down my life for the sheep...and they will heed my voice." - JOHN 10:14-16

When you pray, do you only ask Jesus for the things that you want? Do you ever ask Him what He wants from you? How do you listen for His response? Usually, the answer is in "quiet whispers", so take time every day, in silence, to actively listen for His response.

Q Why are Sunday Masses during Easter Time sometimes known as the Masses for neophytes?

A The heart of the Period of Postbaptismal Catechesis or Mystagogy, the fourth stage of Christian initiation, is the seven Sundays following Easter and ending on Pentecost. They span fifty days, which the Church has long described as one great day of celebration of the Lord's Resurrection. We honor and guide neophytes by reserving a place for them in the assembly during these liturgies. With alleluias, Scripture accounts of post-Resurrection appearances of the Lord, the Apostles' proclamation of Christ to the world, and the Eucharistic banquet, these Masses are ideal settings for neophytes to explore and experience their new faith.

LIVING YOUR STRENGTHS

If you are looking for a terrific opportunity for personal growth, especially spiritually, you are invited to join a five-week program to help you discover your natural talents and learn to turn them into strengths. The program, developed by the Gallup organization, and adapted for the Catholic Church, is used in multiple Catholic churches throughout the United States. By discovering and better understanding our natural talents, we become more satisfied with our lives, and better understand and accept the differences in people, especially our spouses and family members. We come to understand why some jobs fit us and others do not. As followers of Christ, we come to understand where we are best suited to serve Christ and His Church. WE ARE THE BODY OF CHRIST, but what part am I? Where do I most comfortably fit? Come and join your fellow parishioners for this five-week discovery.

We will be forming a small group of 8-10 people who will meet for five 90-minute weekly sessions, beginning at the end of April/start of May. Meeting days and times will be determined by the group. Before beginning, each participant will take the Clifton StrengthsFinder Assessment (online) through Gallup. It will reveal your top five natural talents. During the five weeks, you will study the top talents of each group member and learn how to turn them into strengths. You will learn how to blend your strengths with those of others to create a team, a community.

This leads to greater personal insight and allows us to truly see how we fit into the Body of Christ, drawing us closer to our Lord and serving Him.

To sign up to join this small group, please contact Mary Moore-Wingenter, Parish Secretary, at 452-6491. For more information about the group, please contact Judy Held, group moderator, at 868-2333 or send her an email at judy@catholicfoundationmt.org.
