~Salt of the Earth and Light to the World~

St. John Chrysostom tells us that to be salt for the earth or light to the world a man or a woman must be kindly, modest, merciful, just and a peacemaker. And then good works will flow out from them for the good of others. We all need to join into this effort, to share our gifts with all so that we may become that salt for the earth and light to the world...

Drop this form into the basket at the back of the church, or return it to the Parish Offices. If you need more information, make a note on the form and you will be contacted by a staff person.

Please write the name of the family member interested in the position on a line.
