“Christian, remember your dignity, and now that you share in God’s own nature, do not return by sin to your former base condition. Bear in mind who is your head and of whose body you are a member. Do not forget that you have been rescued from the power of darkness and brought into the light of God’s kingdom.” ~St. Leo the Great

Stewardship

"The Church is not a cultural organization or an institution, but the family of Jesus." - Pope Francis. Thank you to all Holy Spirit volunteers who served our guests at the Monsignor House this past week. At the Monsignor House we strive for quality hospitality and a sense of "this is our home," for everyone who meets or stays in the House. Volunteers are not visitors but family who care for and serve the needs of those who stay. Those who are guests to the House feel the warm attitudes and have a comfortable sense that this is a safe place to land. What a Parish!

The family who stayed in the House this past week loved the placemats and turkey decorations made by our Holy Spirit school children. They felt very special for the care and concern given to such details for our House. Please watch the bulletin for the days and times we unlock the House for people to come and tour, talk about social justice, or visit about life. For any information about Family Promise in our parish please stop by the Monsignor House when it is open or call Kathie Malby and leave a message at 781-5033. She will return your call as soon as she can.
