"True friendship multiplies the good in life and divides its evils. Strive to have friends, for life without friends is like life on a desert island...to find one real friend in a lifetime is good fortune; to keep him is a blessing."~ Baltasar Gracian

We are now registering for the 2019-2020 school year! Our open houses will be **Thursday, February 21st**. Tiny Tots (3 year olds) and Pre-K (4 year olds) Open House happens the 21st from 8am-11am, and the whole school will be open in the evening for interested parents and their students from 5:30-6:30 pm. We invite you to come see for yourself why we're known for our tradition of excellence in education in Great Falls! Our smaller classes mean teachers can accommodate all learning levels and give special attention where needed, while supporting the spiritual growth of their students...and fostering and encouraging the same principles your family values at home. Questions? Please call Colette at 761-5775 or email clongin@holyspiritgf.org.

Did you benefit from the gifts of a Catholic education? Consider making HSCS the beneficiary of a charitable donation today, and help continue the gift for another generation of students! You can even donate online at our website: www.holyspiritgfschool.org.

Thank you to everyone who supported Great Falls Catholic Schools and our inaugural event The BALL! We had over 500 people attend this wonderful evening to benefit our students and schools.

Stewardship

With donations from 2 donors we purchased two new extra long twin beds for the bedroom in which our overnight hosts stay. Pay-less Furniture gave us a great deal. J C Penney had great sales so we purchased blankets and sheets for the beds too. Please feel free to stop by and have a look at them whenever we unlock the House. Watch the bulletin for days and times. We love for our parishioners to stop and visit.

"True power is service. We must serve all people, especially the poor, the weak and the vulnerable." - Pope Francis. Be of this Attitude is the Gospel message this weekend. As we trust in the mercy and compassion of our Lord, as we offer ourselves in service to HIS beloved poor, as we join our prayers with those in need around the world, we carry the light of Jesus wherever we go and in whatever circumstances we find ourselves. What a joy it is to belong to the Christian community that loves to serve! Thank you Holy Spirit parish.

Thank you LDS, for the work you do in Family Promise at the Monsignor House. The Wards of Roe River and Portage are great partners with us in caring for our homeless guest. The Monsignor House will be unlocked and you are welcome to stop by between 10-11:30 on Friday, February 22 to have a cup of coffee, take a tour, or just visit. To learn more about what you can do in Family Promise Holy Spirit, give Kathie Malby a call at 781-5033. She will return your call as soon as she can.

Courtesy Announcements

Faith, Hope and Love...Are these present in your marriage? Have you given up hope that they can be? In 1 Corinthians 13:13 Jesus tells us the greatest of these is love. Living in a marriage that is missing love can be difficult. If you have given up hope that your marriage can and will get better, ask you spouse to consider attending a Retrouvaille program. Retrouvaille is an international Christian-based ministry that offers a three-stage program to help couples improve their marriages. First, a weekend program is attended, followed by post-weekend meetings. Finally, an on-going monthly small group of couples gather for support and growth. If improving your marriage is important to you, reach out today. For more information about an upcoming Retrouvaille Weekend program for couples, contact registration team: at 1-800-470-2230 or visit our website: www.retrouvailleMT.org or www.HelpOurMarriage.com. Retrouvaille weekend will be Feb 22-24 at the Ursuline.

Thank you to all who so generously bring donations to the Emilie Center. We are in need of the following items: Diapers, newborn and sizes 5 & 6; all size blankets; queen size bedding; sleeping bags; silverware, especially knives and forks; boys winter coats, sizes 18 months, 24 months, and 2; girls coats size 6; girls winter pajamas sizes 24 month, 2, 3, 5, and 6. Also because all our male volunteers are seniors, we desperately need several younger, strong men to help with the heavy duty things like moving and lifting furniture. Please bring donations to the alley entrance at 1920 10th Ave S. Our phone number is 771-6695. Thank you and God bless you all!

The Rainbow Senior Living and the Cambridge of Great Falls are looking for volunteers to do activities with our senior population. We also have openings for choirs, youth groups, one-on-one companionship, and simple tasks around our buildings. We love having the extra hands and Christian fellowship for our residents and staff both. Anyone interested in any area of volunteering in our facilities should contact: Dena Schoolcraft, Executive Director, 406-761-6661.

Holy Spirit Parish Bereavement Ministry

Blessed are they who mourn, for they will be comforted.

Matthew 5:4

Information Bulletin: Why does the grieving process last so long?

It is often difficult for the family, friends, and colleagues of a loved one to understand why the grieving process lasts so long. They want to see us happy again and getting on with our life. It is important to be aware of the many kinds and levels of loss that can accompany the death of a loved one. This awareness may help us and others who care about us to be more patient and gentle to us and to others during the grieving process.

We will often experience a secondary loss that may not be as obvious as the overwhelming loss of a loved one.

Loss of a large part of ourselves: There is always a part of us that was given to our loved one.

Loss of Identity: Part of who we are is what we did with and for the other person.

Loss of Self Confidence: The feeling of inadequacy, not being able to do anything right, is often a strong feeling after a loss.

Loss of a chosen lifestyle: Death forces us to change, to begin a new lifestyle whether we want to or not.

Loss of Security: When a loved one dies we lose the most basic sense of security. We often don't know what will happen next or how to respond to the situations.
