“Behold Jesus Christ crucified, who is the only foundation of our hope; He is our Mediator and Advocate; the victim and sacrifice for our sins.

He is goodness and patience itself; His mercy is moved by the tears of sinners, and He never refuses pardon and grace to those who ask it with a truly contrite and humbled heart.” ~ St Charles Borromeo

We are still collecting food for our Kids 'n Kans program. There is a basket in the church.

These food items help out our St. Jude pantry! The food box in the front entry of the church is for donations to St. Vincent de Paul.

We are now registering for the 2020-21 school year and our lower grade classes are filling up quickly! We're looking forward to another amazing school year, and would love to have more Parish students in the seats. We invite you to come find out why parents (and students!) love it here! Our smaller classes mean teachers can accommodate all learning levels and give special attention where needed, while supporting the spiritual growth of their students...and fostering and encouraging the same principles your family values at home. We offer half and

full day visits for prospective students, as well! We hope you'll visit us and find out why we're known for our tradition of excellent education. Please call the school to arrange a tour. 761-5775.

Sign up for Amazon Smile and the all-new Box tops app, and name Holy Spirit Catholic School your beneficiary! If you are already shopping, don't let your money go to waste! We get a small percentage back of all sales (Amazon Smile) or funds (through Box Tops) to use in the classroom!

Stewardship

“Jesus does not spread his kingdom by conquering others,” ~ US edition 2020 Workbook for Lectors, Gospel Readers and Proclaimers of the Word. “Come to me all you who labor and are burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am meek and humble of heart.” - Jesus

You have always made the work of this House easy and enjoyable.

Thank you to all of you who supported the Monsignor House with supplies during this time. Your generosity is deeply appreciated. If you would like to talk about a direction for the Monsignor House, please give Kathie Malby a call at 781-5033 and leave a message. She will return your call as soon as she can.

DIOCESE OF GREAT FALLS-BILLINGS

Founded 1904

Live the Gospel. Bring Light to the World

July 1, 2020

Dear Parishioners,

I write this letter mostly to parents of teen age youth in mind. The final two months of the recent school year presented some obvious challenges for administration and students across Montana as a result of the pandemic caused by the coronavirus. All the schools in Montana closed their doors as teachers creatively began teaching their students online using a variety of technological platforms. Parents too had to make adjustment as we all found ourselves under a "stay at home" order. While technology provided a means to "get through" and conclude the school year, it was hardly the best way to teach or learn.

In the coming school year, Great Falls Central High School plans to resume in person classes and has developed a solid plan to address concerns of the coronavirus spreading among students or faculty. Some students did okay via distance learning with use of technology, but this in no way is better than in-school education. Of course, a Catholic high school is about more than education. As described on its website, Great Falls Central High School is a diocesan college preparatory institution committed to fostering a Christ-centered community, encouraging academic excellence and nurturing the integrity of every student so that each may live fully God's will for his or her life. As effective as public schools may be, they are not allowed to foster the development of Christian faith. It why it is so important for Catholic parents seriously to consider sending their teens to Great Falls Central High School.

Christian faith involves much more than intellectual knowledge or even agreement that "this" decision or "that" action may be the right thing to say or do. While knowledge about the teaching of the Church is vital for living as a Catholic, such knowledge needs to be grounded in a relationship with the Lord. This is something a Catholic school can freely foster. At Great Falls Central Catholic, students learn many things. From the perspective of the Church, a central part of what Great Falls Central Catholic provides is an opportunity learn about God and discover, at least in a rudimentary way, what God may be calling them to do with their lives as a vocation.

Considering all of the difficulties children face during their teenage years, it is more than helpful for them to be in an educational environment that also provides Christian formation and helps them develop the values that will assist them to make good decisions when faced with moral dilemmas. Young people need a vibrant, faith-filled environment that will provide them the knowledge and wisdom they will need in an increasingly competitive and confusing world. Great Falls Central Catholic provides the faith development and academic excellence that all of us want for our youth. It is more than worth considering.

Registrations are being accepted for the coming year: www.greatfallscentral.org/admissions.
