Holy Spirit Catholic School still has room for this school year and our class sizes are small enough to ensure mask-free social distancing! If you've wondered about a private, Catholic school education for your child, you should check us out! Our students are noticeably prepared when they leave HSCS, with a well rounded education rooted in principles of faith, knowledge and service. We worship together at weekly Mass, take part in community service projects and offer a competitive sports program, allowing opportunities to compete in basketball, cross-country, football, volleyball and track! With smaller class sizes, our

teachers really get to know their students and our families find a community here...with a supportive staff and fellow parents that share their family values! These days, it truly does take a village and we invite you to come be part of it. Please visit our website holyspiritgfschool.org, or to schedule a tour, please call us or email Colette Longin at clongin@holyspiritgf.org. Follow us on Facebook to stay up-to-date with us! Interested in making HSCS a beneficiary of your charitable donations? There are many ways to make that happen! Through the HSCS Endowment Trust, scholarships, Dare-To-Dream, and more you can make a difference in a child's life! Visit us online to donate, or for more information call Colette at the school.

Stewardship

Reflection: In these late days of summer that transition us into Autumn, our scripture passages and homilies push us toward the maturity we are called to live as followers of the One who is the WAY. We are promised Resurrection and eternal Life. Truly, nothing else matters but our response to this grace we are generously given by our brother, Jesus. Prepared by the gift of discipleship, formed in responsibility to care for our world and whoever is placed before us, we are the lights that shine into the lives of those who need the love and kindness of our Lord. Everyone we serve becomes a testimony to our life in Christ here on our Earth. St. Paul reminds us that : *Christ will be magnified in my body, whether by life or by death.*

Monsignor House News: There were floors in two rooms in the basement that had mold and we had the carpets removed and the floors treated. We also had a plumber go through the whole house and check all the pipes. There are two under sink pipes that are dripping and need some repair and we will take care of that. The Monsignor House is in good condition for its age. You are appreciated for your support of the Monsignor House. If you have any questions, please give **Kathie Malby** a call at **781-5033** and leave a message. She will return your call as soon as she can.

A Virtual, Online Retrouvaille marriage help program starts Thursday evening, September 17th. This program is NOT group therapy and you will not be asked to share your problems with anyone else. The program (weekend and post weekend sessions) is led by people who have been through the program themselves. They share their own stories of struggles and how they applied the program's concepts, values, and tools to begin overcoming those issues. The Eucharist: Catholic Beliefs and Practices
The fourth in a series of teachings on the Eucharist

I was at one of our Catholic schools for Mass a while back. A Communion Minister mentioned to me that some of the Precious Blood had accidentally spilled on the floor. I covered up the spill with a purificator and then, after Mass, knelt at the spot of the spill in

order to properly clean up the spill. Another Communion Minister who was present, related the incident to a member of my staff saying that I had made a big deal out of that issue of the Precious Blood spilling on the floor. My staff member retorted, "It was a big deal!"

The Eucharist is the body and blood of Jesus Christ! Chapter 6 in the Gospel of John is most definite about the presence of Christ in the Eucharist: "Whoever feeds on my flesh and drinks my blood has life eternal" (Jn 6:54). Some of

the followers of Jesus found this discourse, not only intellectually and religiously problematic, but nauseating. Throughout the OT, there were specific prohibitions against the eating of flesh with its blood, blood being the life principle. Some of Jesus' followers actually walked away from him, but Jesus did not equivocate or soften what he was saying. He even said it more forcefully.

From our more contemporary perspective, we would ask, "How is Christ present when what we see and taste is but bread and wine?" The term used by the Church for centuries to explain this is transubstantiation: "Jesus Christ, whose body and blood in the sacrament of the altar are truly contained under the appearances of bread and wine, the bread having been transubstantiated into the body and the wine into the blood by divine power." While there is a substantial transformation, the accidental nature of the bread and wine remain. The substance is no longer merely bread or wine, but Christ. This substantial change is visible only through the eyes of faith and is based on the words of Jesus himself. So based on what Jesus taught, the teaching of the Church solidly asserts that in the Eucharistic species Christ is present body, blood, soul and divinity.

ROSARY CRUSADE

America is at a historic crossroad. God is more offended than ever as people ignore Our Lady's maternal request to "stop offending God." As a result, America is suffering from a pandemic, rioting, looting, and murder, as well as moral and societal collapse. It is urgent that we heed Our Lady's request and stop sinning if we hope to enjoy God's blessings and to avert His wrath. He will hear us, if we pray through the intercession of His Blessed Mother. That's why we're doing the 2020 Public Square Rosary Crusade.

In *The Secret of the Rosary*, Saint Louis de Montfort said: "Public prayer is far more powerful than private prayer to appease the anger of God and call down His mercy, and Holy Mother Church, guided by the Holy Ghost, has always advocated public prayer in times of public tragedy and suffering."
