Did you know we offer 10% off tuition for our Parish families? If you are thinking about a change for your student(s), we welcome you to come check us out! HSCS is known for our tradition of excellence in education...we'd love to show you around and fill you in on the benefits of a Catholic education. Prospective students and parents can schedule a tour of our facilities; just give the school a call to make an appointment or email Colette Longin, Development Director, at clongin@golyspiritgf.org for more information.

Mark your calendars for GALA happening Saturday, Feb. 6, '21! This is our annual dinner/auction fundraiser to benefit the

Stewardship

Reflection: The requirements for being a saint are simple—not easy—just simple. We are to practice living the teachings of Jesus until we come to the end of our time here on earth. The closing of the Church year gives us the summaries to remind us what the requirements for discipleship are: To love God with everything in us; to love our neighbor, to follow the beatitudes with the encouraging promises; to believe in Jesus as the Living God; to listen for the Lord; to invest in the giving of our lives for others; and, to care for those who are less fortunate. Simple. Not easy. We are baptized in the name of the Father, Son, and the Holy Spirit and are called to this simple practice given to us by our brother, Jesus, the ONE we call Christ.

Monsignor House News: We continue to hear from those of you who want to help in some way with the family and the Monsignor Hospitality House. Thank you for your generous spirits! Please feel free to call or text **Kathie at 781-5033** if you have any questions about the Monsignor House. She will return your call as soon as she can.

The Mission of the Catholic Foundation of Eastern Montana:

In joyful relationship with Christ and our donors, the Catholic Foundation of Eastern Montana builds permanent, everlasting endowments to secure a vibrant future for the Catholic parishes, schools, and ministries in our diocese.

Founded in 1999, the Foundation is a nonprofit organization which is **separate and independent** of the Diocese. It is governed by an all-volunteer Board of Directors (made up of Catholic laypeople and priests) with its own staff that focuses solely on helping Catholics build permanent endowments for Catholic entities, including our parish. The Foundation currently manages more than 110 permanently restricted endowments for Catholic parishes, schools, ministries, and organizations located within our diocese. The Foundation invests all contributions for individual permanent endowments for maximum total return so that each endowment beneficiary receives a healthy distribution each year.

October 27, 2020

Dear Sisters and Brothers in the Lord,

The primary role of a parish is to provide a local place in which Catholics can worship God at Mass and hopefully be fed spiritually through the sacraments, especially the Eucharist. For those who do desire to attend their local parish in-person for Mass, they should know that, as much as possible, it is a safe place to be. The primary concern for a parish community is the salvation of souls but this does not eliminate concern for their bodies as well. The Catholic Church has developed a health care system over the centuries as well as outreach to the poor and vulnerable because of concern for the physical well-being of people. It is why I have asked, as your bishop, to adhere to a set of protocols. I realize that not every person who comes to Mass can readily wear a mask due to an underlying health issue, e.g., asthma, COPD, etc. For those who cannot wear a mask, I would urge them to use the plastic shields that are available. It is a scientific fact that the wearing of masks and spatial distancing help prevent contagion of the coronavirus.

Not every person who tests positive actually becomes ill or exhibits symptoms. Some experience only mild symptoms and may not realize they have contracted the coronavirus. However, every person who does test positive for COVID-19 has the potential to spread the virus to other people, including family members, friends and members of the parish community, which is why public health officials continue to encourage everyone to wear a mask and maintain at least the recommended six feet of "social distance" when in public which includes the time they are at church for Mass.

I provide this as a simple reminder so that, as much as possible, we may continue to keep our parish churches open for Mass.

In Christ,
