Holy Spirit Catholic School is now registering for next Fall! We offer programs and classes for 3 year olds through 8th Grade! Did you know we offer 10% off tuition for our Parish families? Call us for a tour today, we'd love to show you around!  
We have had great success in staying healthy, and face-to-face! If you're thinking about a change for your child's education and making the switch to private...now is the time to inquire. Our class sizes are small enough to allow for safe distancing and mask-free instruction most of the time, and we still have room in some of our classrooms for the current school year! HSCS is known for our tradition of excellence in education...we'd love to show you around and fill you in on the benefits of a Catholic

education. Prospective students and parents can schedule a tour of our facilities; just give the school a call or email Colette Longin, Development Director, at clongin@holyspiritgf.org for more information.  
Interested in making HSCS a beneficiary of your charitable donations? There are many ways to make that happen! Through the Holy Spirit Catholic School Endowments at the Catholic Foundation of Eastern Montana, HSCS Endowment Trust, scholarships, Dare-To-Dream, and more you can make a difference in a child's life! Visit us online to donate, or for more information call Colette at the school.

*Family Promise Great Falls is seeking to hire an experienced Case Manager. Family Promise is a nonprofit agency in which staff and volunteers are dedicated to providing support and resources to children and their families facing homelessness. The goal of the position is to manage day to day operation of day center, intake screening, comprehensive case management, social service navigation, and referrals, assessments, housing assistance, group work, program development, and program implementation. Questions about the position can be either emailed to Cari at [cariy@familypromisegf.org](mailto:cariy@familypromisegf.org) or call cari at 406-564-5267.*

Our Lord died for each and every one of us. He did that because we re his. We are like the shepherd to his sheep. As a close and protective relationship he lets us know that NOTHING, not one thing, will come between him and his relationship with us. At the Last Supper, after Jesus washed their feet, John shares with us that Jesus said: *I, therefore, the master and teacher, have washed your feet, you ought to wash one another's feet. I have given you a model to follow, so that as I have done for you, you should also do.* As we walk this week, doing the many chores, work, play, and living lives, let us remember these words and live them to the best of our ability.

Thank you to the family who donated towels and rugs for the Monsignor House. They were needed since the other towels and rugs are many years old. Thank you to all of you who think og things to donate form your homes. Oftentimes we don't think about what is wearing out. When you call to ask it is a change to check on a particular need.

**Spanish speaking parishioners** needed to help a young Honduran family here in Great Falls...to accompany the family to Mass; To drive family members to appointments and to translate for members at various appointments; someone and/or a parish family to get acquainted and enjoy social interaction. Please call Elaine at 590-9944 for more details. Thank you!

If you have any questions about the Monsignor House, please feel free to call or text Kathie at 781-5033. She will return your call or text as soon as she can.

As well as being parishioners at Our Lady of Lourdes Parish, Jen is one of our teachers and all three children are students at our school. Date: April 22, 2021  
To: All  
From: Bishop Michael Warfel

Thanks to all those who have tried to follow COVID related protocols to date. They may be an annoyance but have played a role in lessening the impact of the coronavirus on behalf of the common good.

The following are adjustments to existing protocols for the Diocese of Great Falls-Billings:

**If a county health department does not require face coverings or restrictions on capacity, neither are these restrictions required at parishes in those counties. If county health departments do require masks and spacing, these restrictions are required at parishes also. (Check with your county health department).**

**The obligation to attend Sunday Mass and Holy Days continues to be dispensed but attendance is strongly urged. Opportunities are available for Mass during the week. Parishioners should consider this option if there is concern for gathering on a Sunday with a larger attendance.**

**Parishioners are to be reminded of the importance of receiving the Eucharist, if at all possible, (the Easter Duty) and making a good confession (the Sacrament of Penance) during the Easter Season. Parishes throughout the Diocese provide ample opportunities for the Sacrament of Penance.**

**Parish gatherings are allowed following the guidance of local county health departments. (It is important to be mindful of those who may be vulnerable and who have underlying conditions which may include the parish priest. Each parish church should have masks available at the entrance as well as sanitizers).**

**The invitation by the celebrant "Peace with you" and the people's response, "And with your spirit," should be made. The physical sign of peace among the assembly is not to be offered but the practice of turning towards others with a simple nod of the head as a sign of solidarity and respect may be offered as a sign of peace.**
