Colette Longin, Development Director, clongin@holyspiritgf.org

Holy Spirit Catholic School is now registering for next Fall! We offer programs and classes for 3 year olds through 8th Grade! Did you know we offer 10% off tuition for our Parish families? Call us for a tour today, we'd love to show you around!

We have had great success in staying healthy, and face-to-face! If you're thinking about a change for your child's education and making the switch to private...now is the time to inquire. Our class sizes are small enough to allow for safe distancing and mask-free instruction most of the time, and we still have room in some of our classrooms for the current school year! HSCS is known for our tradition of excellence in education...we'd love to show you around and fill you in on the benefits of a Catholic education. Prospective students and parents can schedule a tour of our facilities; just give the school a call or email Colette Longin, Development Director, at clongin@holyspiritgf.org for more information.

Interested in making HSCS a beneficiary of your charitable donations? There are many ways to make that happen! Through the Holy Spirit Catholic School Endowments at the Catholic Foundation of Eastern Montana, HSCS Endowment Trust, scholarships, Dare-To-Dream, and more you can make a difference in a child's life! Visit us online to donate, or for more information call Colette at the school.

**Consider this:**

**Ministry to the Homebound** is essential to our entire community's faith life. With the pandemic it has been very difficult to fulfill this ministry completely. Only family members have been able to visit and take communion, until recently.

We desire to meet the spiritual needs of those who are truly homebound. **You are an integral part of the parish community. You are a member of the Body of Christ.** It is the responsibility of those who can "get out of the home" to bring the Word of God and The Most Sacred Presence of Jesus Christ in our visits to and with you!

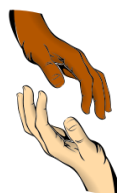

As folks feel comfortable to visit others, ***please let Cindy know if you are interested in this ministry.***

**Other details of this important ministry:**

- Approximately 1 hour
- On your schedule, any day of the week
- Training and mentoring provided
- Required Safe and Sacred
- Fulfilling
- Rewarding
- Opportunities to grow in faith

If you know of a parishioner who is **truly homebound**, please **have them call the office** as we anticipate lots of ministers coming forward!

Stewardship

**Monsignor House Reflection:** We come to Church to hear, reflect, be strengthened and then leave to live the messages that Jesus shares with us, in His GOOD NEWS each week. We never stop being His students. As each of us enters into different phases of our lives, we understand the teachings of Jesus in new ways. The message is ALWAYS the same but we respond to the Living Word differently as we mature in our faith lives. As we continue our weeks and months of Ordinary Time, we will go deeper into the LOVE of our Savior, who had just washed the feet of His closest followers and said at Last Supper: *I have given you a model to follow, so that as I have done for you, you should also do.* Love is understood by each of us no matter our age. As we learn and live the corporal and spiritual works of mercy, we are following the teaching of Love from Jesus.

**Monsignor House News:** We can be thankful to plumbers who take care of the plumbing at the Monsignor House and keep our nearly 90 year old Hospitality House working and livable for the family who lives there. Thank you to all of you who think of things to donate. Oftentimes we don't think about what is wearing out. If you have any questions about the Monsignor House, please feel free to call or text Kathie at 781-5033. She will return your call or text as soon as she can.
