"Our Easter is therefore for everyone a dying to sin, to passions, to hatred, to enmities, to all that is a source of imbalance, bitterness and torment in the spiritual and material order. This death is in fact only the first step towards a higher goal: since our Easter is also a mystery of life." ~ St John XXIII

Ministry Spotlight: Seminarian Support

As men are discerning the call to priesthood, our Diocese wants to provide support. This begins with a Vocations Director, who will pray with and answer questions to help them discern what is the call of God in their lives. If they feel called to continue the path towards priesthood, the Diocese will also provide support for graduate level seminarian education to include tuition, books, room, boarding, and even some travel expenses.

Additionally, we also have a priest that is specifically assigned to Seminarian Formation who will support them through the process up to and including their ordination, when they will become transitional deacons and then priests of the Diocese. These are important pieces of support, so that as these men are working towards priesthood, they do not have to worry about the financial aspects of the process. As we hope to continue to grow our Seminarian program, we will continue to need support for this fund.

We are full steam ahead in the 100 days of May! We had an amazing Teacher Appreciation Week with getting spoiled by our students and families.

Holy Spirit Catholic School hosted our annual Spirit Week and Spirit Walk this week. We had daily dress-up days, prize drawings, sock hop, and our walk-a-thon! It was a great week to be a Holy Spirit Catholic School student and staff member.

Next week our students are thrilling us with their Spring Concerts. Our 5th grade and Middle school band and choir concert is on Tuesday. K-5th grade concerts are on Thursday. PreK and Tiny Tots will be holding theirs the following week.

Our 8th Graders are preparing for their final days as Holy Spirit Catholic School students. They have finished their graduation banners, are planning their Celebration Day, and finalizing their Graduation Mass. Their Graduation Mass is Thursday, May 25th. The rest of the month is sprinkled with field trips, Field Day, year-book party, and Last Day Donuts! I think we can make it to the end!

Did Jesus actually rise from the dead? (CCC 639-647)

Christ's Resurrection is both a historical and transcendent event. The New Testament bears witness that Jesus appeared "first to Peter, then the Twelve, then 500 at once..." (1 Corinthians 15:3-6). The discovery of the empty tomb on Easter morning is the initial fact of evidence for many of the disciples, Mary Magdalene first, then Peter, then John (640). These witnesses of the Resurrection carry their testimonies for the rest of their lives to evangelize the world and, with the Divine Assistance, build the Catholic Church we receive today (642). It has been of historical importance, and in fact impossible not to acknowledge, the very fact of Jesus' Resurrection, not as some mythical legend or mystical interpretation, for the radical change of heart from desolate despair to evangelical fervor can only be explained by the physical experience of the Risen Lord (643). The nature of His Body both bears the resemblance of his pre-death body by the tangible wounds and shared meals which still persist. However, it has transitioned in a formal way from the familiar physical nature to a glorified nature, not bound by space or time, capable of passing through walls or vanishing at will (645). This inexplicable reality is at the heart of the Gospel and transcends history. No longer does Christ appear in human form, but the fact of history is passed along through the Good News of the Church (647), and the mystery persists and is transmitted by the grace of the Sacraments through the liturgical celebrations of the Holy Mass.
